- ◆ Christians spend more on the annual audits of churches and agencies (\$810 million) than on all work in the non-Christian world.
- ◆ 40% of foreign mission resources are deployed to just 10 oversaturated countries.
- ◆ Annual church embezzlements by top custodians exceed the entire cost of all foreign missions worldwide.
- ◆ 250 of the 300 largest Christian organizations regularly mislead the public by publishing demonstrably incorrect progress statistics. (World Evangelization Research Center)
- ◆ The average Christian gives 1 penny a day to global missions.
- ◆ 85% of all finances given to western missionaries is used for work among established churches rather than pioneer evangelism.
